

MID ISLAND FLIGHT SCHOOL

SINCE 1946 - A DIVISION OF MID ISLAND AIR SERVICE, INC.

PRE-PAY AND SAVE!

Mid Island offers a pre-payment discount for flight training or aircraft rentals. With a minimum opening balance of \$2000 (cash or check only), we will apply an additional 5% credit to your account. We request that only flight training be charged to this account, not fuel or pilot supplies. In the event you require a refund of this account, the full 5% discount initially credited, will be deducted from your balance before issuing a refund. Your account must maintain a positive balance in order to take advantage of the pre-payment discount for additional deposits. In order to continue to receive 5% on future deposits, you must make an additional \$2000 payment while the account still has a credit balance.

For accounting purposes, Mid Island HWV and ISP are run as two separate companies with independent pilot information and customer accounts. Therefore, the money placed on account at one branch is for flights taken at that branch. If you fly solo or with an instructor at the other branch, please pay that branch directly for your flight activity, as we cannot automatically bill this to your account. If you are a club member, you will be entitled to the club rates at both locations.
