

MID ISLAND FLIGHT SCHOOL

SINCE 1946 - A DIVISION OF MID ISLAND AIR SERVICE, INC.

AeroCamp Information

REGISTRATION

The following pages contain the registration form and all medical paperwork to be completed. **Please email to reserve a space prior to submitting registration forms.** Mail or e-mail with the full camp payment. All camp spaces will be reserved on a first come, first serve basis and camp is space limited to 12 cadets. Spaces are not confirmed until payment is received. For questions, email: gail@midislandair.com

PAYMENT

Camp payment is due in full upon registration, which includes a \$100 nonrefundable booking fee.

No student will be confirmed a space in an AeroCamp session until full payment and ALL release forms are completed in full. One ADULT sized AeroCamp tee shirt, paper logbook and a 6 month subscription to AOPA, Flight Training Magazine are included in the camp fees.

Optional Flight Day: Payment is due in full to reserve a place on the optional flight day. Optional Flight Days are scheduled when we have the appropriate number of students committed for the flight.

CANCELLATIONS/REFUNDS

Request for cancellation must be received in writing. Full refund, less the nonrefundable booking fee of \$100, will be refunded if requested more than 60 days prior to camp start date. A refund of 50% (less booking fee) will be refunded if canceled a minimum of 30 days prior to camp start. A refund of 25% (less booking fee) will be given if requested more than 2 weeks prior to camp start date. No refund will be given if the request for cancellation for camp and/or optional flight day is received less than 14 days prior to camp date start. Please allow one week for refunds to be processed. Failure to show up for camp will result in a forfeit of all fees paid. Missed days due to illness or personal reasons will not be made up. A camp insurance policy may be purchased for \$100 which will permit a full refund (less nonrefundable booking fee) at any time, prior to the start of camp **IF cancellation is for Health related reasons affecting camper or immediate family member.** (A doctor's note may be requested)

CAMP STAFF

The staff at Mid Island Flight School includes FAA certified flight instructors with many years of aviation and teaching experience. Classes, flight simulator time and tours will be supervised by one of our flight school managers. Management will be present during all hours of Aero Camp to ensure the absolute safety of every Aero Camp participant. All advisors have had a background check.

ADDITIONAL INFORMATION

AeroCamp is conducted at our LI MacArthur location at 101 Hering Drive, Ronkonkoma, and at times due to equipment or staffing needs, at Brookhaven Airport (139 Dawn Dr, Shirley). Check-in for all camps begins at 8:45am. AeroCamp Cadets must be picked up promptly at 3pm. Water, juices, and snacks will be provided each day and a pizza lunch will be provided on Friday. Cadets will be responsible to bring a bag lunch on the other four days. Please wear closed shoes, laces must be tied at all times.

AeroCamp Code Of Conduct

Camps are designed for the enjoyment and benefit for all campers involved. With this as the objective, we anticipate that no cadet is here who does not wish to be here. Should any disciplinary problems occur, we will contact the parent/guardian to come pick up the cadet. Please read and sign the AeroCamp code of conduct.

1. Please keep hands and feet to yourself.
2. Respect other campers, instructors, employees and property.
3. Please do NOT bring any items of value to camp, or any of the following items: iPods, hand held video games, chewing gum, or any other distracting items. Cell phones must be turned off during camp sessions, but may be used during breaks or lunch. Cell phones may be used as cameras. We ask that photos are taken of aircraft only as some parents do not want their children on social media.
4. In case of emergency, parents can reach students through our flight desk at 631 588-5400 at any time during the camp hours.
5. Cadets should wear a clean Tee-shirt so they can put their AeroCamp shirt over it. This way it will stay clean and can be worn all week.
6. Cadets must understand that due to weather and facility availability the schedule is subject to modification
7. Cadets must respect the aircraft they may be permitted to tour. Shoes will be removed, so please wear socks. Do not touch anything unless you ask permission.
8. Due to Covid restrictions, temperatures will be taken daily, masks will be worn by all and social distancing will be mandatory as per CDC and NYS DOH guidelines. Aircraft and headsets will be disinfected prior to each flight.

Physical aggression, continued disrespect, or continued disruption of camp activities will result in the camper being sent home immediately. No refunds will be given to campers who are sent home and camper may not be eligible for future camps.

I have read and understand the AeroCamp Code of Conduct and we both agree to its terms.

Optional Sixth Day of Camp - Flight Day

(See web posting for pricing)

We are offering an opportunity for even more flight time. Add a sixth day to Camp with our Optional Flight Day which includes a full flight lesson. Cadets will conduct an aircraft preflight and receive flight planning instruction followed by an exciting flight experience. Optional flight days are usually scheduled the week following camp, however, weather, the number of participants, or staffing/equipment demands(may require scheduling at a later date. Date and Destination is predicated on weather. Minimum of 2 cadets required per plane for flight in order to schedule an optional flight day. Due to attendance and staffing, we reserve the right to offer only one of the optional Flight Day destinations.

Cadet: _____

Optional Flight Day: _____ (Windsor Locks, Bradley, CT with aviation museum)

Optional Flight Day: _____ (New Destination to be determined)

Full payment is required to reserve a space on the optional flight day.

MID ISLAND FLIGHT SCHOOL

SINCE 1946 - A DIVISION OF MID ISLAND AIR SERVICE, INC.

FLIGHT TRAINING ACADEMY 101 (FTA101) (BY APPLICATION ONLY)

For those young aviators who are serious about further flight training, we offer an Advanced Training Academy. You must apply for acceptance into our Flight Training Academy 101 (FTA101) **three day** program. Acceptance is predicated on prior knowledge gained through a minimum of 5 flight lessons OR having attended TWO Alpha Aero Camps or a combination thereof. You will be expected to have a basic knowledge of all the material listed below as this information will only be touched on as a review on Day 1. Upon acceptance and registration, a course syllabus will be forwarded. The more prepared the student is, the more knowledge they will gain from this three day training experience. Once a student is accepted and payment made, a copy of the Handbook of Aeronautical Knowledge will be provided as this will be the text book used.

This Academy is designed for the student who wishes to gain additional flight and ground knowledge, unlike Aero Camp, it does not include tours, projects and guest speakers. This is a basic flight training program. FTA101 covers lessons through Stage 1 of the FAA Private Pilot Certification. This is the same training syllabus used in our flight school. Due to weather considerations, while this is a **THREE day** curriculum, we are asking that you plan to be available for all FIVE days so that we may skip an inclement weather day if necessary. FTA101 is scheduled to be held mon-tues-wed...but could be, for example, be mon, thur, fri instead! This program offers each student approximately 6 hours of ground school, 3 hours of hands on flight, 3 hours of flight observation, 1.5 hrs simulator flight, monitored handbook exercises, quizzes and a daily flight debrief.

A few sample questions are included with the application so we can verify that you are knowledgeable in this course material you learned in camp or from your flight instructor.

The academy will be held in August for those students who meet the pre-requisites. We are only accepting six students in this course. Date and pricing will be posted on our website.

Students should be knowledgeable in the following areas of study:

- Phonetic Alphabet
- Parts of an Airplane
- Four Forces of Flight
- Flight Controls and their purpose
- Flight Instruments and their function
- Basic radio communication
